Lime Plant Items

Mrs. Joe Wilcox spent last week in Fredonia at her father's bedside. He was old and very feeble and passed away Saturday.

John Bodin attended the S. S. convention in Chanute last week.

Mr. Moody of Minneapolis, Ind., one of the heavy stockholders of lime plant, spent several days of last week here looking after the companies interests. They will at once make many and costly improvements.

Mr. Cochran of Chanute visited the lime works Sunday.

Get the cow-bells ready we are to have a wedding very soon.

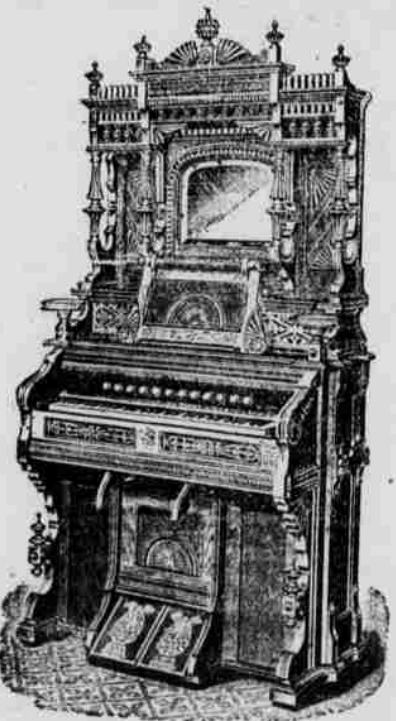

Pale, Thin, Nervous?

Then your blood must be in a very bad condition. You certainly know what to take, then take it—Ayer's Sarsaparilla. If you doubt, then consult your doctor. We know what he will say about this grand old family medicine.

This is the first question your doctor would ask: "Are your bowels regular?" He knows that daily action of the bowels is absolutely essential to recovery. Keep your liver active and your bowels regular by taking laxative doses of Ayer's Pills.

Made by J. C. Ayer & Co., Lowell, Mass.
Also manufactured by:
HAIR VIGOR,
ACNE CURE,
CHERRY PECTORAL.

We have no secrets! We publish the formulas of all our medicines.

McQueen & Jeffers,

Leading Music Dealers.
Postoffice Block, Chanute, Kansas

Our stock of musical instruments is complete. We have the best and strongest line of pianos and organs ever carried in Chanute, and our prices the lowest ever before offered here. Easy monthly payments if you wish. Every instrument carries a strong guarantee as is given by any factory in the world. We carry at the late popular sheet music, also the McKinley edition of 10c music—over a thousand different pieces, all grades. We have a few good second-hand organs and pianos, will sell very cheap. We are headquarters for the Edison and Victor Phonographs, also their records for same. Big stock always on hand. Terms to suit you. Come and see us. McQUEEN & JEFFERS.

--we have added
a large

TEA AND COFFEE DEPARTMENT

to our store, and it will pay you to buy your tea and coffee from us and secure the valuable premiums that we are giving away with all tea and coffee orders.

DIXON'S Cash Store

Leanna.

The dry weather was broken Monday night and Tuesday was warm making it seem like spring again. 'Twas welcomed heartily by farmers. Rev. Johnson preached two very able discourses at the church Sunday. Next Sunday he will preach at Savonburg and the Sunday following here again.

Miss Edna Alford has been quite sick for the past week but is now convalescent.

Misses Josie, Georgia and R. T. Browning of Earlton, Frank and Stella Boggs of Big Creek and Jim Tyler of Gas City visited the Hunter young people Sunday.

Mrs. Libbie Ingels, Florence Camp, Beulah Blair and Cora Hibbard attended the Commencement exercises at Savonburg Monday night. They report a very pleasant time.

Dr. Roe of Kansas City has located in our little town and will practice here in the future. We extend to him a glad hand of welcome as we have needed a physician for a long time.

Mr. Will Tomlinson and Miss Malsbury were married Wednesday.

Some of the young folks spent Wednesday night at Mr. Harbison's.

Mabel Haymaker, Lela Moody Maud Hunter and Beulah Blair were successful in the common school examination. Heres congratulations, girls.

Dr. Roe purchased a driving horse of Martin Roberts Monday.

Harry Ingels has accepted an agency of a Chicago Book Co. and is canvassing this and adjoining territories. He has a splendid list of books and is meeting with good success in taking orders.

Mrs. Lewis Hanson, who has been sick for some months, was well last week.

Huston Sowers and family left Wednesday for Colorado where they will make their future home. We are sorry to lose them but wish them well in their new home.

FARM NOTES

Animals can not thrive even with good feeding if uncomfortably cold.

Grow as far as possible all of the grain on your own place.

If manure is moved as fast as made here will be but little waste.

The value of the manure depends more upon the feed than upon the animal.

System in farming moves without friction.

Plan the rotation of crops ahead.

Stirring the soil favors disintegration, hence plowed or loosed crops would follow grasses.

A diversity of crops distributes labor, receipts, and expenses more evenly through the year.

The more soluble the manure is when applied the quicker results will be secured.

Light feeding is against proper development and consequently an expensive method of stock raising.

Next to a good commercial fertilizer, wood ashes is one of the best to use on growing potatoes.

Upon the farm the small economies must be observed and by-products utilized to the best advantage.

The oftener the soil is exposed to the air the more plant-food will be supplied to the crops.

The farmer needs to be a planner as well as a laborer. Head work is wanting as much as hand work.

Clover and grasses shade the soil, retain the moisture, render it porous, and favor nitrification while filling it with vegetable matter.

Cultivation opens up the soil and sets the air in, and without the action of the air there could be no growth.

The farther the farmer is from market the greater the need of condensing products by feeding grain and sowing to animals.

One advantage in thoroughly rotting the manure before hauling out and applying, is that whatever weed seeds it may contain is destroyed.

The most profitable stock is that which by its size, instinct formation and training is best adapted to the purpose it is intended to serve.

Economy in feeding is not measured by the bulk of feed eaten but by the gains or returns made by the animal consuming it.

One of the best systems of economy on the farm is that which not only maintains fertility but keeps it constantly increasing in the soil.

A Wonderful Tool

The Keen Kutter Draw Knife is a wonderful tool in more ways than one. The angle or "hang" of the blade is pronounced perfection by the most expert and critical workmen. This "hang" has never been successfully imitated, leaving the Keen Kutter Draw Knife standing as a unique tool. The material and workmanship in this tool is such that we have never had one returned as defective out of over 100,000 that we have sold, and 14 years' use has not put one of them in the scrap heap. While the brains, money and skill expended to make

KEEN KUTTER

Tools the best in the world, is perhaps more conspicuous in the Keen Kutter Draw Knife than in some other tools of the line, yet we can say that every other tool in the Keen Kutter Line is as good a tool of its kind. This line has been famous for 36 years. The only complete line of tools to receive the GRAND PRIZE AT THE WORLD'S FAIR, ST. LOUIS.

Some of the other kinds of Keen Kutter Tools are Axes, Adzes, Hammers, Hatchets, Chisels, Screw Drivers, Anger Bits, Files, Planes, Saws, Tool Cabinets, Scythes, Hay Knives, Grass Hooks, Brush Hooks, Corn Knives, Eye Hoes, Trowels, Pruning Shears, Timbers' Snips, Scissors, Shears, Hair Clippers, Horse Shears, Razors, etc., and Knives of all kinds.

Keen Kutter Tools are for sale by all first-class dealers. It will pay you to write for a copy of our handsome Book on Keen Kutter Tools. It's a Book that every user of tools will find very useful as a permanent reference. We will mail you a copy free.

Every Keen Kutter Tool is sold under this Mark and Motto: "The Reputation of Quality Remains Long After the Price is Forgotten." Trade mark Registered.

SIMMONS HARDWARE COMPANY, St. Louis and New York.
